

Mayor's Office of Criminal Justice
Human Trafficking Grant Application

PURPOSE

Funding under this program will support comprehensive trauma-informed services for victims of human trafficking, sex trafficking, labor trafficking, and LGBTQ victims of trafficking.

For the purposes of this grant, human trafficking victims are persons induced to perform labor or commercial sex act(s) through force, fraud, or coercion. Any person under the age of 18 involved in a commercial sex act is considered a victim of human trafficking, regardless of whether force, fraud, or coercion was present. A commercial sex act means any sex act performed in exchange for anything of value.

Applicants must be based in Baltimore City and demonstrate the ability to provide trauma-informed, victim-centered care for trafficked residents. Examples of eligible services are housing (emergency, short term/long term shelter, rental assistance), victim advocacy, crisis intervention, case management, mental health treatment (individual or group therapy, counseling, psychiatric), substance abuse treatment, transportation, basic needs items (clothing, food, hygiene products), employment and education assistance (tuition, training, school supplies), legal services, immigration services, and direct medical care. Successful applications will describe how services will be tailored to meet the specialized needs of human trafficking victims. Funding will also support efforts to increase the capacity of local communities to respond to human trafficking victims through the development of interagency partnerships, professional training, and public awareness activities.

Eligibility:

- Nonprofit organizations based in Baltimore City are eligible to apply.
- Organizations must provide services and resources to individuals who have survived human trafficking and access services in Baltimore City.
- Organizations must be 501 (c)(3) or have a fiscal agent.
- The applicant must be the entity that would have primary responsibility for carrying out the award, including administering the funding and managing the entire project.
- No sub-awards or subcontracting allowed.
